

## FSB 4 Fluid head

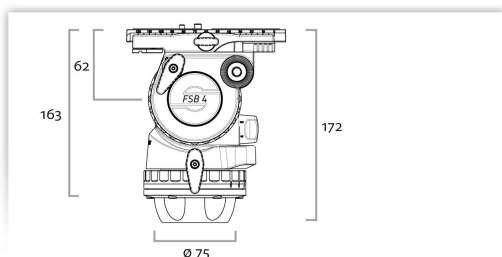

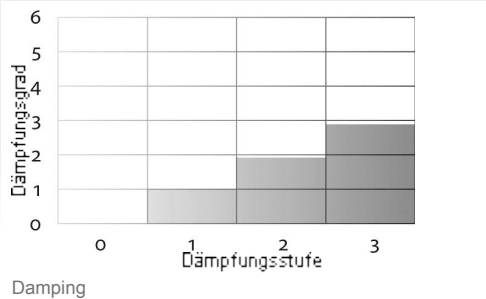

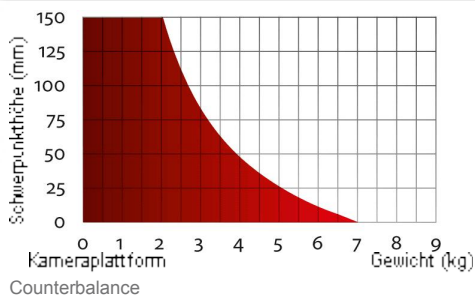

### Secure creativity: the FSB 4.

This fluid head with its payload of 0-4 kg (8.8 lb) is the ideal device for users of small and lightweight (H)DV cameras which are equipped with professional accessories.

The FSB 4 offers functional Sachtler features such as a robust aluminium housing and the proven Sachtler Speedbalance technology for swift balancing. Its three horizontal and three vertical grades of damping, the reliable five-step counterbalance as well as its integrated flat base fitting, guarantee ideal handling qualities. The FSB 4 works with tripods with a 75 mm bowl.
