

Reporter 200DI

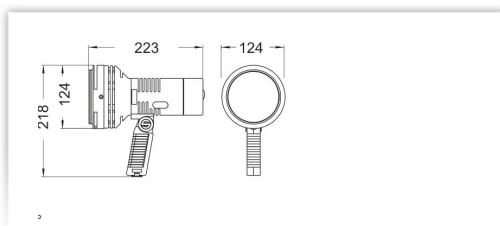

Battery-powered daylight lamp with handle and integrated camera fitting

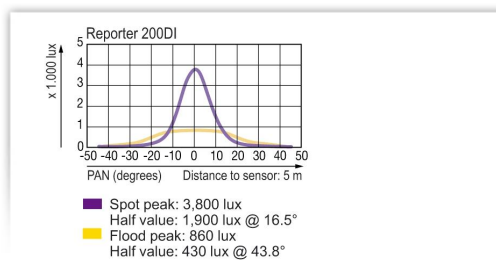

This compact open face daylight lamp produces non-flicker daylight with high light efficiency. The patented "No-noise" ignition system lets you work silently. Oversized ignition coils avoid electrical loss. The Reporter 200DI's light performance of 200 W is much higher than that of a halogen lamp with 300 W power consumption.

Technical Facts

| | |
|------------------------|--|
| Power | 200 W |
| Bulb socket | GZY 9.5 |
| Bulb Type | Philips MSR 200HR, Osram HMI 200SE |
| Weight | 1.3 kg / 3.5 lbs |
| Weight 4-leaf barndoor | 0.3 kg / 0.7 lbs |
| Focusing ratio | 1 : 4.5 |
