

ST7610-4S-S2P

4 in 1 JBOD Storage

ST7610-4S-S2P support four SATA hard drives and comes with JBOD function. It can be easily upgraded to RAID solution when collocates a RAID card which can be conveniently purchased from the market. It utilizes chipset that supports the Port Multiplier function. Only one eSATA cable is required to connect the system to see four SATA hard drives for storage. It allows you to obtain four hard drives' capacities at once and benefit from the transfer performance of up to 300MB/Sec. to satisfy the need for big data storage and high transfer performance demands.

Support Port Multiplier Function

ST7610-4S-S2P utilises the chipset that supports the Port Multiplier function. Also, only one eSATA cable is required to connect the system and ST7610-4S-S2P. It's like connecting 4 separate hard drives to the systems without the hassles of connecting 4 cables separately for each drive, but the transfer performance of data throughput will not downgrade.

Supports Hot-swappable Tray

It supports hot-swappable tray which enables you to exchange a failed hard drive or a new one without having to shut down the system.

RAID Function Upgradeable

Collocating with a RAID card which can be conveniently purchased from the market, ST7610-4S-S2P enable upgraded to a RAID data storage with efficient data security functionalities.

Data Categorise

ST7610-4S-S2P is capable of supporting four big hard drives at once. You are able to save data by categorising each hard drives (depending on your requirements and preferences) and reduce your time in searching for the correct files.

Model No.	ST7610-4S-S2P
Support HDD	4 x 3.5" SATA HDD
The Largest Capacity	Support up to 3TB
Host Interface	eSATA x 1 (Port Multiplier)
RAID Function	JBOD
Fan	2 x 4cm Fan
Power Supply	Input: 100V~240V Output: 200W
Hot-swap	Yes
LED Indicators	Yes
Operating System	Independent
Certification	CE / FCC
Packing Content	Quick Installation Guide / AC power cord / eSATA cable / Accessory Kit
Dimension	430W x 420L x 43H mm
Net Weight	7.4 kg

The product specification is subject to change without notice.

Logistical Data			
Dimension of Article:	430W x 420L x 43H mm	Net Weight:	7.4 kg
Dimension of Packing Box:	530W x 533L x 145H mm	Gross Weight (incl. packing):	8.4 kg
Dimension/Carton:	550W x 552L x 348H mm	Total Weight:	18.6 kg/ctn
Packing Unit:	2 units./ctn.	Country of Origin:	Taiwan
EAN-No.:	4711132866193		
UPC-No.:	884826500674
