SPECIFICATIONS

	Payload	10.0kg / 22.0lbs
	Net Weight	445g / 1.0lbs

FEATURES

Mounting on the flat surface. Use the rubber wedge to tighten more securely.

Ergonomic rigid lockup takes just a quick twist of one control.

We use the better rubber for the jaw of the super clamp.

Usage scenarios.

With a black rubber wedge to allow you to mount it to any flat or squared surface.

Mounting on the round surface. Ideal clamp for photographic applications.
